

# Multi-Affair Consultation

## Free Counseling

We will provide a consulting free of charge and look for best options so as to settle the trouble of:

marriage, DV, divorce, parental authority, nursing cares, guardianship, inheritance, renewal/change of residence certificate, obtaining permanent residence certificate, naturalization, provisional release from immigration incarceration, application for refugee status, sexual/power harassment in the job place, nonfulfillment of payment, illegal termination, debts, loan, education, traffic accident-related, violation of the human rights, application process for administration, medical problems and others...

★ We will help you find out a concrete solution and make the life in Japan trouble-free and peaceful. ★

No-reservation visit is also welcomed.

Please come to our consultation venue and knock on the door.

When another language than Japanese is needed, please prepare an interpreter yourself.
